

Join us at TechBridge 2024: Uniting MedTech & Clean Energy Innovations, where groundbreaking ideas collide on March 19!

Tue, Mar 19, 2024 12:30 PM - 5:00 PM NDT

Emera Innovation Exchange, Main Conference Hall (B2007)

100 Signal Hill Road St. John's, NL A1A 1B3 (live-stream option available)

REGISTER: [TechBridge 2024: Uniting MedTech & Clean Energy Innovations Tickets, Tue, 19 Mar 2024 at 12:30 PM | Eventbrite](#)

Genesis, in collaboration with ExxonMobil Canada and Energy Research & Innovation Newfoundland and Labrador (ERI) invite you to participate in the first **TechBridge** symposium. **TechBridge 2024: Uniting MedTech & Clean Energy Innovations** aims to foster collaboration and synergy between the burgeoning fields of medical technology (MedTech) and clean energy startups in Newfoundland and Labrador.

Expanding on the possibilities of MedTech and clean energy, this unique symposium creates a platform for professionals and startups to explore intersections, share knowledge, and spark partnerships. The aim is to bridge the gap between MedTech advancements and clean energy technologies, encouraging cross-disciplinary dialogue to address shared challenges and unlock new opportunities.

Join us for an afternoon of exploration, inspiration, and networking at **TechBridge 2024**, where industry expertise and cutting-edge technology come together. It's your exclusive platform to connect with fellow leaders, academics, and founders in these dynamic fields. Be part of the innovation journey!

Time: Registration opens at noon. The formal program and lunch service will begin at 12:30 p.m.

Event Highlights

Guest Speakers:

- Matthew Jackson, ExxonMobil Engineering and Technology
- Tyler Beatty, ExxonMobil Canada & Christina Cole, NL Health Services
- Dr. Stephen Czarnuch, Memorial University
